Mount Ararat Football 2007

Welcome to Mount Ararat Football

This year the Mount Ararat Football program is pleased to announce the addition of the 6th grade to Mount Ararat Middle School team starting in the 2007 season.

Head Coach Tim Morgan said "I'm excited to have the entire middle school be able to play as one team." He also thanked new Varsity Head Coach Mark LaFountain for his efforts and support on this opportunity.

Coach Morgan would also like to announce the addition, and return of long time coaches Chris Dempsey and Roger Weathers back to the coaching staff.

Getting started

"The process of adding the sixth graders to the junior high team started a few years ago with a lot of discussion on the logistics of adding 6th graders to the program. There was a lot of work that needed to be done as well as the fund raising to purchase the additional equipment".

"We also had to have the coaching staff in place to handle the additional players, and I am confident that we have that now." Coach LaFountain said, "Tim has a lot of experience in coaching the lower levels and I'm sure he can provide a positive and safe experience for the entire middle school team, were excited about the future of MTA Football." Please feel free to contact any of the coaching staff for more information.

The schedule for the upcoming fall season isn't out yet, but the coaches have already scheduled scrimmage against 6th grade only teams as well as 7th and 8th grade teams. This season should prove to be one of the best seasons yet for Mount Ararat Middle School.

Sign ups for the middle school team will take place in the fall and at the annual 3-8 grade eagle football camp scheduled for July 16th thru the 19th. Registration and additional information regarding the eagle football camp can be found by contacting the Topsham Recreation Department.
